

# Subcommittee Chair's Duties and Responsibilities

[www.astm.org](http://www.astm.org)

# Objectives

---

- At the end of this module, you will be able to serve effectively as a Subcommittee Chair by:
  - Handling administrative responsibilities
  - Conducting an effective and inclusive meeting
  - Preparing items for Sub and Main Committee ballots
  - Resolving negative votes effectively
  - Utilizing available resources at ASTM Headquarters

# Role of the Subcommittee Chair

## ➤ You serve as a:

- Leader
- Communicator
- Administrator
- Organizer

# Responsibilities

---

- Conduct effective and inclusive meetings
- Record/Submit the meeting minutes
- Prepare items for ballot/submit ballot resolutions
- Handle inquiries on standards
- Roster Maintenance

# Subcommittee Officer Responsibilities

---

- Act in an impartial and inclusive manner in the performance of their duties.
- Consistent in conducting meetings in a professional manner and with respecting the participation by both members and attendees.
- [Appendix B: ASTM International Responsibilities of Membership](#)

# Impartial and Inclusive Leadership

An inclusive leader ensures that all team members:

- Are given an opportunity to participate in the team's efforts
- Are valued and respected
- Provided opportunities to feel that they belong
- Can bring their authentic self to the task at hand

# Examples of *HOW* to be in Inclusive

## Effort

- **Make a conscious and genuine effort to get to know each team member**
  - Explore what each team member can contribute to the team, task, and organization
  - Be committed to being inclusive and the effort required
  - Enhance your cultural competency and be aware of your own biases
  - Be brave and have humility in the face of mistakes

## Awareness

- **Consider team members contributions and attributes:**
  - Be curious about Life and Career Experiences
  - Reflect on how these experiences bring different types of value to the table
  - Apply what you learn and encourage members to consider and apply their own value attributes
  - Remember that marginalized individuals may be risk averse or more conservative in their contributions

## Empathy

- **Demonstrate empathy and compassion for others and self.**
- **Strive to create a sense of safety and openness within the team:**
  - Enable voices
  - Open the discussions and encourage team member contributions
  - Support team members through connecting and empowering their work
  - Consider innovative ways to create an inclusive environment, like using closed captioning or other technology available

# Practice Inclusivity!

---

- **Being Inclusive and creating a sense of belonging within teams requires personal effort:**
  - Grow your own social and cultural awareness
  - Practice self awareness and explore your own personal biases
  - Identify barriers to inclusion and work to remove them
  - Set the tone and model behaviors you expect from others
  - Support people in getting to know one another
  - Encourage knowledge sharing and being open to change
  - Explore different leadership styles to assist different situations or personalities
  - Practice, practice, practice!

# Ways to help Meetings be Inclusive

- Welcome people by name – connect with each person
- Seek out new members or guests joining
- Seek broad input; consider asking reserved members for their perspective
- Provide ways for perspectives to be gathered beyond standing up in the discussion.
- Set the tone/expectations – Come ready to share, listen and learn
- Consider strategies when strong personalities do most of the talking
- Ask open ended questions
- Value each person independently
- Empower the whole team in being part of the process

# Delegation of Responsibilities

# The Subcommittee Vice Chair

---

- Chairs meetings in your absence
- Assigns projects to task group chair and follows up on deadlines
- Answers correspondence

# The Secretary

---

- Takes minutes
- Collects task group reports
- Distributes attendance lists
- Assumes responsibilities as delegated by the Sub Chair

# Subcommittee Chair Administrative Duties

# Duties

---

- Report to main committee on subcommittee actions
- Process necessary information through the website
- Provide meeting room requirements and audio/visual needs for next meeting

# Inquiries on Standards

---

- ASTM membership and staff are prohibited from offering official interpretation of standards
- Official responses must follow [Section 16 of the ASTM Regulations](#)
- Inquiries can be handled informally by sub-chairs and technical contacts
- [Do not use ASTM letterhead for the response](#)

# Inquiries on Standards cont.

---

- Be clear that the response is a personal opinion

ASTM does not provide interpretations of standards. While an ASTM member may offer a personal opinion in this regard, the only action a committee or subcommittee may take is to introduce a revision to the standard to further clarify its intent. If you feel that a revision to this standard would clarify the technical content, I encourage you to provide the subcommittee with that information.

I have provided your inquiry by copy to the Subcommittee Chairman for his consideration as a possible item of new business for the subcommittee. He may offer you his personal opinion on this matter. His response is his opinion and unless otherwise stated does not represent that of the committee or ASTM. I would invite you to consider joining in the work of this committee. You will find more information and an application for membership on our web site at [www.astm.org](http://www.astm.org).

Please let me know if I may be of further service in this regard.

Sincerely,

.xxx

# Create My Agenda

## Create Agenda

A subcommittee meeting agenda should be prepared and posted to the "MyASTM" website in advance of an ASTM meeting. This enables the subcommittee members to attend the meeting prepared to make decisions on specific actions. In addition, an agenda creates a specific interest in attending the meeting.

### Create your Subcommittee Meeting Agenda:

Subcommittee or Section: \*

Meeting Date:\*  MM/DD/YYYY

Meeting Location:\*  (alphanumeric, separated by commas)

Start Time: \*  8:00 AM

End Time: \*  8:30 AM

### Documentation:

For guidance on Preparing an Agenda, visit [https://astm.org/media/pdf/Handbook\\_5-11-20.pdf](https://astm.org/media/pdf/Handbook_5-11-20.pdf)

Templates: [Main Committee](#), [Executive Subcommittee](#)

The following item topics will automatically be added to your Subcommittee Agenda. If desired, you can remove any of these items after Agenda creation.

- Call to order and introduction of attendees
- Approval of Agenda
- Approval of Previous Meeting Minutes
- Membership Updates
- Ballot Results (ballots closed since last meeting)
- Outstanding Negatives Needing Resolution (prior to last meeting)
- Standards Requiring Review
- New Standard and Reinstatement Work Items (Not Currently on Ballot)
- Revision and Withdrawal Work Items (Not Currently on Ballot)
- Task Group Reports (Other than work items)
- Liaison Reports
- Old business
- New business

### Read Antitrust Statement

ASTM International is a not-for-profit organization and developer of voluntary consensus standards. ASTM's leadership in international standards development is driven by the contributions of its members: more than 30,000 technical experts and business professionals representing 135 countries.

The purpose of antitrust laws is to preserve economic competition in the marketplace by prohibiting, among other things, unreasonable restraints of trade. In ASTM activities, it is important to recognize that participants often represent competitive interests. Antitrust laws require that all competition be open and unrestricted.

It is ASTM's policy, and the policy of each of its committees and subcommittees, to conduct all business and activity in full compliance with international, federal and state antitrust and competition laws. The ASTM Board of Directors has adopted an antitrust policy which is found in Section 19 of ASTM Regulations Governing Technical Committees. All members need to be aware of and compliant with this policy. The Regulations are accessible on the ASTM website (<http://www.astm.org/COMMIT/Regs.pdf>) and copies of the antitrust policy are available at the registration desk.

For a complete list of standards see  
<http://www.astm.org/COMMIT/SUBCOMMIT/F0822.htm>

## ASTM Work Item Registration Area and Ballot Item Submittal

Choose from the following options:

**I need to register a Work Item for a Revision or New Standard.**

Work Item registration is not required to submit a Reapproval, Withdrawal or Reinstatement action to ballot; go to [Option 2 - Ballot Item Submittal](#)

**I need to Submit an Item to Ballot.**

For Revisions and New Standards, please have a Work Item number. Go To [Option 1 - Work Item Registration](#) if WK registration is needed.

**I need to Edit an existing Work Item or Update the Target Date.**

## Technical Committees

Technical Committees develop and maintain ASTM standards. They are grouped by designation according to related activities within a particular scope of work (ex: A01 on Steel, Stainless Steel and Related Alloys). ASTM Committees are made up of over 32,000 volunteers from industry and include manufacturers and consumers, as well as other interest groups such as government or academia. Any interested individual can participate on a Technical Committee through ASTM membership.
